With the good blessing of the Infinite past ancestors, together with the blessings of past saints and sages of Australia, Ming-De International School Toowoomba hopes to officially open in Toowoomba, Queensland in July 2021.

Ming-De International School Toowoomba education system is based on the concept and teaching of Sages in Ancient China, offering classes starting from pre-school through to high school levels; consistent with the Australian Government's educational curriculum and at the same time following the way of Traditional Chinese Cultural studies.
